Frameworks & Tools: React, React Native, Git, GitHub, VS Code, Figma, Canva

SOFT SKILLS

Design Thinking, Adaptability, Attention to Detail, Creative Problem-Solving, Critical Thinking, Time Management, Team Collaboration, Continuous Learning, Flexibility

CERTIFICATES

1st Place – Technology Pitching Category, 2025 iPitch Competition
- Demonstrated innovative and practical technical solutions addressing real-world problems.
- Showcased strong technical knowledge and effective pitching skills to a panel of industry experts.

SmartBooks and Power BI Basic with Analytics
- Completed Fit Academy training program focused on SmartBooks ERP and Power BI.
- Gained hands-on experience in implementing ERP workflows, generating real-time financial reports, and leveraging data analytics for business insights.

PROJECTS

Complaint and Feedback System with AI-Chatbot and Interactive Digital Map for DPWH Batangas IV – Deo
React, React Native, Python, Tailwind CSS, Firebase, Rasa, Mapbox, GitHub, Agile Methods *Sept 2024 – Nov 2025*
- Developed an integrated web and mobile-based complaint and feedback management system featuring an AI Chatbot (Rasa) and Interactive Digital Map (Mapbox) to enhance transparency, accountability, and citizen engagement.
- Led frontend development and UI/UX design for both the web and mobile platforms, creating responsive interfaces using React, React Native, and Tailwind CSS. Designed the prototypes, layouts, and visual identity (logo, color palette, and design system) using Figma and Canva.
- Integrated and displayed real-time data from Firebase across dashboards and user interfaces to reflect reports, analytics, and user information. Implemented login, signup, and account management features for admins, employees, and citizens, ensuring accessibility and consistent performance across all platforms.

LEADERSHIP

Class Vice Mayor – IT4B *Aug 2025 – Jun 2026*
- Fostered communication between faculty and classmates, ensuring smooth coordination of academic activities, announcements, and department initiatives.
- Supported class leadership in organizing events, managing schedules, and addressing student concerns to maintain an inclusive and productive learning environment.
